Prayer Min. and Spirit of Prophecy Dept. – Verna Francis, Coordinator

Some householders stint the family table in order to provide expensive entertainment for visitors. This is unwise. In the entertainment of guests there should be greater simplicity. Let the needs of the family have first attention.

Unwise economy and artificial customs often prevent the Exercise of hospitality where it is needed and would be a blessing. The regular supply of food tables should be such that the unexpected guest can be made welcome

Without burdening the housewife to make extra preparation.
